STATEMENT OF COMPLIANCE

I, the undersigned Independent Third Party Reviewer (ITPR), hereby certify the following facts with respect to the project described in the attached Project Application No. _____ (the “Project”) under the _____ Property Assessed Clean Energy Program:

1. I have the professional qualifications to be an ITPR specified by the PACE in a Box Technical Standards Manual, in that –

I am a licensed Professional Engineer in the State of Texas, whose registration number and seal are shown below, and

I have experience in energy or water efficiency, including one or more of the professional credentials listed below:

- Building Energy Assessment Professional (BEAP) or Building Energy Modeling Professional by the American Society of Heating, Refrigeration, and Air-Conditioning Engineers (ASHRAE);
- Certified Energy Manager (CEM), Certified Measurement and Verification Professional (CMVP), or Certified Energy Auditor (CEA) by the Association of Energy Engineers;
- Certified Commissioning Professional by the Building Commissioning Association;
- Credentialed Quality Assurance Provider from the Investor Confidence Project;
- Certified Commissioning Authority from the AABC Commissioning Group
- 5 Years relevant project experience in energy/water efficiency

2. I do not have any conflicting financial interest in the Project, in that –

Neither I nor any member of my family nor any company that I own or have a financial interest in has any ownership or financial interest in the Project, the engineer/contractor, the real property, or its owner; and

Neither I nor any member of my family nor any company that I own or have a financial interest in has provided or will provide any products or services for the Project other than independent third party review.

3. I personally visited the site of the Project on _____ and observed, based on my inspection, review of construction and commissioning documents made available to me, and witnessing of operations, that the improvements described in the Project Application have been completed and are operating as intended.

4. The attached project documentation review letter provides details of my findings and conclusions.
